*Because  
Your Success  
is Our Success*

You should be losing 10 pounds per month for the first 6 months. If you're struggling, please call us! •

**Note to restaurants:** Please allow the cardholder to order smaller portions, as the amount of food they are able to eat has been significantly reduced. •

***This cardholder has had a surgical weight loss procedure.*** Caution should be taken when prescribing potentially ulcerogenic medications or performing any gastric or abdominal procedure.

We strive to make our billing processes transparent! Billing Questions? Call 888-221-2297.
